

Welcome to the PRCA Rodeo at the Larimer County Fair!

For 61 years Larimer County has provided the action packed entertainment of a PRCA rodeo as part of the annual County Fair. We are truly fortunate to have you, the rodeo fans, as well as the support of our County Commissioners to be able to provide and enjoy such a timeless and truly American sport.

Over the years our rodeo has drawn some of the very best competitors in the business, many of which were ranked in the top 15 and on their way to the National Finals. We expect to once again have several such rodeo superstars at our rodeo this year. We also believe in hiring the very best there is to help put on our rodeo. We will once again have Beutler and Son Rodeo Company (PRCA Stock Contractor of the Year and numerous bulls and horses named Rough Stock of the Year) provide the bucking stock, be entertained and informed by our announcer Hadley Barrett (4 time PRCA Announcer of the Year), laugh out loud with one of the best barrel man and clown acts in the business Keith Isley (PRCA Clown of the Year), and be awed by the amazing talents of our specialty act John Payne the "One Armed Bandit" (8 time PRCA Specialty Act of the Year). We will also kick off each night with the amazing Freedom Riders and provide the best in protection for the contestants by having bull fighters Greg Rumohr and Andy Burrelle.

So please plan on joining us for our PRCA Rodeo at 7:00 p.m. on August 2nd, 3rd, and 4th. If it was not for you, the rodeo fans, there would not be rodeo.

Regards,

Your 2009 Larimer County Rodeo Committee
